Hereby undertakes to carry out work on the data of the USC Dornsife Center for Economic and Social Research (CESR) Understanding America Study (UAS), in accordance with the following conditions:

1. He/She will not undertake to re-identify the data using information from UAS or any other sources.
2. He/She will undertake to keep confidential any information in the data concerning individual persons, households, enterprises or institutions which comes to his/her knowledge during the work on the data. This includes not publishing specific identifying information about individuals that could serve to inadvertently identify them, alone or in connection with other information.
3. He/she undertakes not to distribute UAS data to others without explicit permission from CESR UAS.
4. He/she undertakes to use the data for scientific or policy relevant (i.e. non-commercial, journalistic) research only.
5. He/she provides a copy of all journal publications based on the data to CESR UAS c/o Tania Gutsche (tgutsche@usc.edu)
6. Publications based on this data must acknowledge its source. For journal publications, professional presentations, and detailed reports, please include: *The project described in this paper relies on data from survey(s) administered by the Understanding America Study, which is maintained by the Center for Economic and Social Research (CESR) at the University of Southern California. The content of this paper is solely the responsibility of the authors and does not necessarily represent the official views of USC or UAS.* Journalists and other reporters must refer readers to methodology information available at uasdata.usc.edu or election.uas.edu as appropriate.
7. This statement shall remain valid, even after conclusion of the work on the data.
